ALL FAMILIES**

Be Sure to Complete the Meal Benefit Application!

Once again, we hope to be able to offer all Hartford Children free breakfast in the classroom. We need your help to make this possible.

- **Every family must fill out the application!** For the school to be eligible to offer free breakfast to any child who wants it, every family must fill out the meal benefit application on-line or on paper. **If you do not qualify for benefits or wish to refuse benefits, there are just a few simple steps.**
- **Applying is easy!** You can apply:
 - ONLINE! It's as easy as 1-2-3 to apply online at: www.sns.milwaukee.k12.wi.us. We strongly encourage this option – it's easy, instant, and allows you to **print your confirmation**.
 - Using the application in this mailing or at the Hartford office (906-4798)
 - At the Meal Benefits Office, MPS Central Office (475-8897)
- **Fill out one application per household.** List all your children regardless of school. Return any extra forms to your child's teacher, please.
- **If you already filled out a paper form this summer, please fill out the application in this mailing as a back-up.** On the top, write, "SECOND COPY." If you applied on-line, please let us know the confirmation number.
- **Return any unused application forms in this packet!**
- **Catherine Harrison Fouliard, Hartford's Social Worker, is happy to assist you.** Contact her at 906-4798.

All students who arrive on time are offered breakfast. Thank you in advance for helping our children start the day nourished and ready to learn!
