

MILWAUKEE PUBLIC SCHOOLS

Return - Required

Dear Parent/Guardian:

Each year, the State of Wisconsin requires the Milwaukee Public Schools to obtain written permission from a pupil's parent/guardian to have his/her child attend a school outside of their neighborhood attendance area and receive bus transportation. In order to provide transportation for your child, we need your permission. **If we do not receive a response from you, MPS and your child's school could lose a substantial amount of money.**

Please read the three statements below and check the one you agree with. Your response will not change your child's school assignment or transportation arrangements. Your response will be valid for as long as your child attends this school and you reside at the address listed on this form. If your child changes schools or moves, you will be asked for permission again. You may change your response at any time by calling 475-8262. If you have any questions regarding this form, please call 475-8262.

Please fill in the blanks below, check the appropriate box, and sign in the space indicated. **Please return this form to your child's school as quickly as possible.** Your cooperation is greatly appreciated.
